

## We still need your help

The year 2011 brought a whirlwind of activities and advancements to the **Monroeville Public Library** (MPL). We joined the Allegheny County Library Association's eiNetwork, replaced our windows, and are revitalizing our children's library, all thanks to gifts and grants from our municipality, foundations, and generous individuals like you. **Please consider supporting us at this time with a tax-deductible gift of \$25, \$50, \$100, or more.**

## Here's what we plan to do...

### Books, Magazines & CDs

We strive to keep our 120,000-item collection of fiction, non-fiction and reference materials current and in great shape. The cost of adding a new book, magazine subscription or CD to our collection (including processing) averages \$35.00. In 2010, we added nearly 9,000 new items. **Your donation will help us continue to add to our collection in the coming year.**

### Program Support

Delivering outstanding programs to kids, adults, and teens is one of our greatest strengths – whether it's Masterpiece Mondays or Read Across the Road for children, Armchair Adventures for adults, or Teen Summer Reading, we've got it all. Check out more on our website. **You can help us offset the cost of our popular programs.**

### New Children's Room Furnishings

In 2012, our newly refurbished children's room will be rededicated as the Frances Repp Daugherty Children's Room. Frances, who was part of our library family from 1964-2009, will be specifically remembered for decades to come thanks to her family's tireless efforts in raising the \$25,000 needed to update this area. **With your help, we can add the finishing touches.**

### Recabling our Computer Network

Not a small ticket item, this project will cost about \$60,000, but will provide faster speeds for the growing amount of audio and video available on the Internet. **Your support will help us improve our data infrastructure.**

### Updating our Facility

Your library is 47 years old and had nearly 145,000 visitors in 2011. It has many ongoing replacement or repair needs – equipment, furniture and fixtures. **We welcome gifts of any size toward this need.**
